Treasurer's Report: -

Checking: \$ 23,096.69	Savings: \$2609.17	Travel: \$1718.94	Uniform CDs : \$16,063.72
Total \$ 43,488.52			

Moved Pearl Harbor/Travel money (\$10,000) to checking account. Received 3 sponsorships. At home show sold over \$500 in spirit. Paid for shoes, tech fees, scissor lift, and a gift for Molloy. There are many bills coming due so our checking account looks high but it really isn't.

50/50 at home show didn't make a lot but they were not very well publicized. Rest of home show didn't do great but it was ticket sales that were way down (1/3 from last year) due to it being an indoor show.

Director's Report – Jen Jones/Brian Frazier

Jen – Thank you to everyone who worked and helped on home show. Now we are going to focus on ramping up for heavy competition. We are backing off on some of the practices to help students deal with some of the stress. Keep students healthy and getting to sleep. We will work on getting them out on time at the end of rehearsal but it would help if parents could help with moving equipment and getting everything put away so we can get out on time. All concert ensamples are working of chair auditions. Keep them practicing at home even after big grades. 2 orchestras are going great love that we now have 2. Symphonic band going well, working on rhythms. All state and all county music is out and kids are working on it. Have 34 going out for all county.

Frazier – concert attire money is due. Bea helped out with fitting all kids. Jazz band continues to add performances. Added Jan 9 function. Jazz has many concerts in the spring. Having great fun with percussion ensemble. Frazier will email the list out to parents. Wind ensemble working on 4 pieces and will have a guest conductor.
