Directors Report:

- Ms. Jones: Band Camp covered basics and fundamentals. Starting to get in a groove now. Students are beginning to have a better time and we will be able to perform the first part of the show. We will be doing part 1 of drill and music in July so if missing students will make up in August. Guard is learning lots of basics and combinations and cleaning everything. August will be parts 2, 3, 4 on the field. This is early but first competition in Sep 19. Very happy with the ensemble members we have but could always use more. Very impressed with the rookies. Making sure that we are dismissing right at 9pm every night.
